

## IO7 – MOOC for Teachers

### Self-directed Learning Resource 5

|                                |   |
|--------------------------------|---|
| <b>Topic:</b>                  | Digital Content Creation  |
| <b>Title:</b>                  | Platforms for creating image modification   |
| <b>Time:</b>                   | It will take you about 2 to 3 hours to explore the platforms below  |
| <b>Type of Resource:</b>       | Websites  |
| <b>Content of the Resource</b> | <p>Here you will find Free online platforms that allow easy modification of images, as well creation of collages, posters and much more.</p> <p>In general, these platforms allow the user to upload one or more photographs or images from the archives in his/her own computer, and offers a variety of elements (textbox, frames, emoji, backgrounds, etc.) to modify and combine them.</p> <p>Even though these platforms are free of charge, there may be certain items or options that require payment. While using them, always make sure of your choices. No platform will charge you without telling you, so you can always annul your actions and chose items or options that are for free.</p> |
