

IO7 – MOOC for Teachers

Self-directed Learning Resource 6

Topic:	Copyrights and Licenses: Introduction to Fair Use
Title:	Educational Fair Use
Time:	Estimated time 5mins
Type of Resource:	Class-room exercise to quiz and test students
Content of the Resource	<p>It might be tempting to copy and paste content into a school assignment, but this is called plagiarism and it will get you in serious troubles at school.</p> <p><u>If you want to use something that you found online, no problem!</u> You can either paraphrase the idea (put it in your own words) or use quotations around the text you're taking</p>
