IO7 – MOOC for Teachers

Self-directed Learning Resource 7

Topic:	Copyrights and Licenses: Introduction to Fair Use
Title:	Using an image from Google to illustrate a blog post
Time:	Estimated time 5mins
Type of Resource:	Class-room resources and tools
Content of the Resource	<u>Use Images in Blog Posts (Legally)!</u> Both Google Images Advanced Search tab and Flickr have options for searching specifically for license type. On Foter.com you can simply Cut'n Paste photos' license type. Or use <u>public domain libraries</u>. These are great!
