

## IO7 – MOOC for Teachers

### Self-directed Learning Resource 5

<b>Topic:</b>	Digital Content Creation
<b>Title:</b>	Europe Code Week
<b>Time:</b>	It will take you about 1 hour to explore this website and understand how it works
<b>Type of Resource:</b>	Website
<b>Content of the Resource</b>	<p>EU Code Week is a grass-roots movement that celebrates creativity, problem solving and collaboration through programming and other tech activities.</p> <p>The idea is to make programming more visible, to show young, adults and elderly how you bring ideas to life with code, to demystify these skills and bring motivated people together to learn. Schools at any levels and teachers of all subjects are especially invited to participate in EU Code Week, to give the opportunity to their students to explore digital creativity and coding.</p>
