IO7 – MOOC for Teachers

Self-directed Learning Resource 6

Topic:	Digital Content Creation
Title:	Hour of code
Time:	It will take you about 1 hour to explore this website and understand how it works
Type of Resource:	Website
Content of the Resource	The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. It has since become a worldwide effort to celebrate computer science, starting with 1-hour coding activities but expanding to all sorts of community efforts. This grassroots campaign is supported by over 400 partners and 200,000 educators worldwide.
