IO7 – MOOC for Teachers

Self-directed Learning Resource 1

Topic:	Communication & Collaboration
Title:	Supporting the creation of a healthy digital identity for your students
Time:	It will take you 2-3 hours to scan through this document, and to take note of what is important to you.
Type of Resource:	Document. Link
Content of the Resource	Parents should take into consideration that digital media is everywhere in the online or offline world. They should be open to discover the world of social media, understand the power they have on young people as the basic means of their socialization practices and focus more on how to support their children to better develop their digital identity rather than consider them as addition to their life.
